

Toy Dragon. Design pattern for machine embroidery

Materials needed:

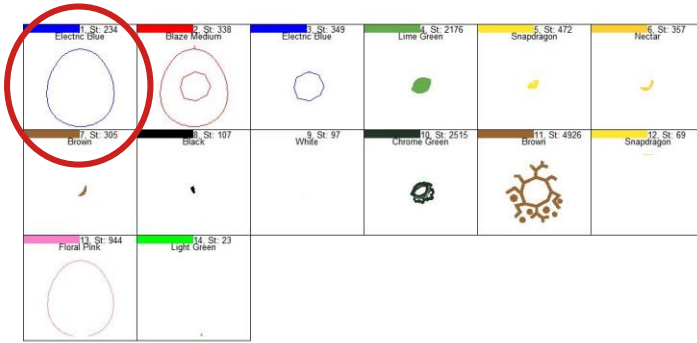

- * Embroidery machine and supplies
- * Minky or soft-n-comfy fabric
- * Medium weight tear-away stabilizer
- * Embroidery adhesive spray
- * Polyester fiberfill

Place stabilizer into the frame.

Stich the line according to the design.
I recommend using threads in the color of the project.

Remove the hoop from the machine, but don't unhoop!
Cut the inside of the window using small, thin, closed-end scissors, being
careful not to cut the stabilizer at the bottom.

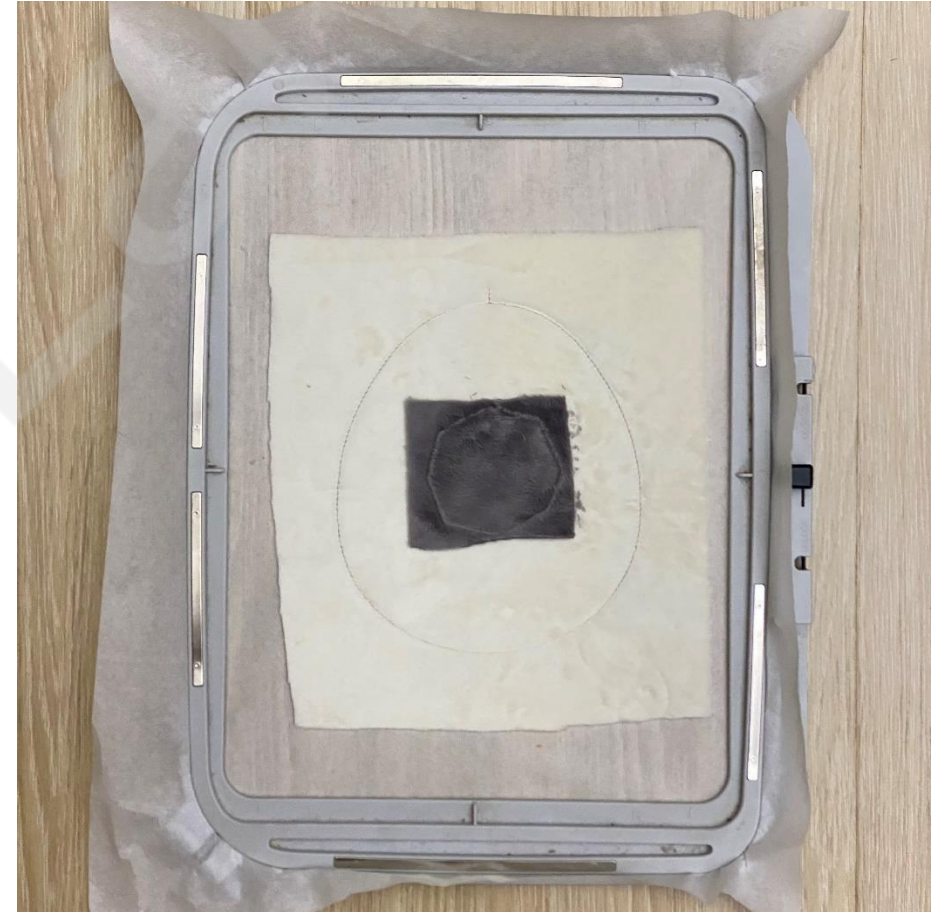

Place your applique fabric over the outline.
The tacking stitch sews next, tacking the applique fabric.
